This project involved the complete strip-out of the existing first floor Science Laboratories. New dividing walls were constructed, new wall & ceiling linings were installed; plumbing, draining & electrical services were renewed. Vinyl and carpet floor finishes were laid; new science benches, student tables and teachers' demonstration benches were installed.

Other projects recently completed by Coleman & Fairburn at the Kings School include:

Refurbish A,B,C,D Classroom block	\$2,263,000
New West Wing Classroom block	\$2,224,000
