The school had purchased a large property outside Penrith on which to establish a new school. Coleman & Fairburn was engaged to convert the large residence into Stage I of the school. This entailed gutting out part of the residence and provide learning spaces, converting bedrooms to administration areas and turning the three car garage into a General Learning Area. A new front entry was built, along with two new amenities blocks and a canteen.

## PENRITH ANGLICAN COLLEGE, Stage 1
