Following the successful completion of the new West Wing Classrooms, Coleman & Fairburn was engaged to carry out a comprehensive refurbishment of the A,B,C,D Classroom Blocks.

The work was carried out in 2 stages and included: provision of new pitched metal roofing over the leaking old flat roofs; an elevated concrete link way between North & South Walks; a colonnade created using terracotta pipes enclosing structural steel columns. Classrooms were widened and provided with new lighting, mechanical services and floor coverings.

Other projects recently completed by Coleman & Fairburn at the Kings School include:

| | |
|--------------------------------------|-------------|
