This unique Restoration Project was successfully completed by the skilled Joiners at Coleman & Fairburn. The work involved carefully stripping down the historic 1877 gun so that the metal components could be shot blasted and recoated in 2 pack protective paint.

Minor metal parts had to be remade. The timber wheels had to be pulled apart so that rotted sections could be replaced and all joints re-spliced.

16 LB HISTORIC GUN RESTORATION

JOINERY

LOCATION Victoria Barracks Paddington

YEAR 1996

BUDGET \$9,600
