Coleman & Fairburn is responsible for the fitting out of the new Formule 1 Motel chain in Australia.

This innovative motel design uses factory prefabrication for wall, floor and roof elements.

Internal fitting out includes lining of ensuite modules, installation of beds, bunks and writing desks. Corridor ceilings, breakfast room fitments and the Managers Suite are also part of the fitout package undertaken by Coleman & Fairburn.

To date 5 Motels have been completed, at Campbelltown, Enfield, St Peters, Wentworthville in Sydney, and Fawkner in Melbourne.
