This multipurpose hall and its sprung timber sports floor caters for basketball, netball, volleyball and futsal sports. A large stage allows hall use for theatrical performance productions together with general assembly use. The building contains a fully equipped gym, amenities, 4 classrooms, offices, and a commercial kitchen / café.

Acoustic construction methods and materials were used to ensure the hall could function in any type of use while classroom activities could function without noise disturbance. The facility incorporates a rain water collection and recycling system together with solar power generation.

SULE COLLEGE: MULTIPURPOSE HALL
