Coleman & Fairburn were engaged for these Stage 2 works whilst constructing the Stage 1 GLA Block. This Multi-Purpose Centre consists of a large sports hall/auditorium, a stage with adjoining practise room and store room. The undercroft houses change rooms, amenities and sports equipment storage.

It is free-standing, steel framed building with face brick, colorbond steel and fibre cement cladding. It is smart-wired with CBus and a full audio visual & lighting integration.
